

Market your company with a CARSE Membership in 2017

CARSE Business Member Brochure

The Colorado Association of Road Supervisors and Engineers provides training, networking, and resources to Colorado transportation and road maintenance professionals.

Who can join?

County Engineers, Directors, Road Supervisors, Foreman, or any County staff employed full time in support of transportation or road maintenance.

When does CARSE meet?

We hold the annual meeting in December at the CCI Conference. There are vendors, technical sessions, networking, and votes on group business. Additionally in 2017 we plan to host informal skill and leadership sessions in different parts of the state. Join to find out more!

Can businesses join?

CARSE offers a business sustaining membership for transportation related companies that support our mission. Membership provides a variety of marketing and information sharing opportunities. See Sustaining Member brochure for more Information.

Send Completed Form to:

Routt County Road & Bridge
CARSE Sec.- Janet Hruby
PO Box 773598
Steamboat Springs, CO 80477
Phone: 970.870.5308
Email: jhruby@co.routt.co.us

Since 1980 CARSE has been providing training and resources for county highway managers, engineers, foremen and equipment operators. The group also serves as the transportation and road maintenance technical advisor to Commissioner members of Colorado Counties, Inc. (CCI) and other industries. We hold an annual meeting in December at the CCI conference, and do informal training and technical sessions throughout the year.

CARSE offers transportation and road maintenance related businesses the opportunity to join as sustaining members. Sustaining members include consulting engineers, construction contractors, material suppliers, and others that work supporting public works projects. Joining CARSE as a Sustaining Member includes the following opportunities:

- your company logo and bio sent to our membership in newsletters
- your company logo and information in our annual meeting brochure
- your company logo/ contact info on our website
- opportunity to address members at the technical/vendor portion of the annual meeting
